Teach how to use an I-message

An I-message is a deescalation strategy that supports self expression and conflict resolution.

Instead of saying: "You stole my pencil" or "Give me back my pencil"... try an I-message:

- I feel anxious that I won't be able to finish my work on time when you borrow my pencil
- I would like you to give me back my pencil.

Practice by writing or performing short plays, drawing cartoons, making posters, writing dialogue.

Visit I-messages to find more information and posters to support student use of I-messages.
