

Develop shared expectations

Promote interactions that support a positive peer culture.

Agree with your students on the behaviours that will help ensure a safe and respectful learning environment.

Consider how you will:

- collaborate and agree on behaviours and expectations with your students
- support students to understand the language and words used within the expectations, for example use pictures, words, and diagrams
- plan to prompt or remind students of expectations prior to learning activities
- display expectations so they are easily accessible as a tool to support student self management.
