Develop a responsive evidenced-based process of working together that supports students' self advocacy.

- Support the akonga and whanau to lead and guide the conversation.
- Work collaboratively to identify key learning goals, responsibilities and what success would look like.
- Share concerns, questions, and ideas.
- Consider akonga strengths as well as barriers to learning.
- Identify how solutions or strategies will be implemented, refined and reviewed.
- Discuss how to assess learning in ways that work for the student.
- Agree on how to stay in touch and share information.
