

Identify specific focus areas

Ensure your school's strategic planning identifies specific focus areas to strengthen equity and inclusion.

Here are some example focus areas.

- Improving the enrolment practices for students with additional support needs.
- A school-wide programme of professional development focused on inclusive practices.
- A community engagement strategy that reflects a partnership approach with parents and whānau of all students.
- An accessibility audit of all school buildings and grounds to support the participation of all students. A pilot of flexible timetabling to support increased access to learning support expertise and collaborative teaching models.
