

Draft the lesson plan

Design the learning experience.

Allow your knowledge of learners and the learning intention to influence your thinking.

- 1 Clarify the objective or goal of the activity or lesson
- 2 Identify how achievement of the goal will be measured
- 3 Identify the range of teaching strategies you will use and the activity options you will offer
- 4 Consider all the materials, tools you will use yourself and make available to students
- 5 Consider how you will set up the physical and online learning environment.
