

Successful transition tips

Ideas to support successful transitions at all levels.

- ✓ Follow-up on a child or young person's medical information on their enrolment information. Be proactive in contacting parents.
- ✓ Connect with your public health nurse or asthma nurse for staff training.
- ✓ Meet with families to discuss their needs and concerns.
- ✓ Communicate with families about asthma management in your learning centre or school.
- ✓ Ensure families and whānau provide their child's or young person's asthma action plan before transitions occur.
- ✓ Identify when a child or young person is eligible for the [High Health Fund](#).
- ✓ Ensure all staff, including those who provide after-school care and relieving teachers, are aware of asthma action plans and asthma first aid.
