

# Reflection questions

What would students say about the quality of your relationship with them?

Consider these questions from the Wellbeing@School student survey.

Reflect on your responses.

Teachers are interested in my culture or family background.

Teachers and students care about each other.

Teachers are interested in my perspectives and views on the world.

Teachers think all students can do well.

Teachers treat students fairly.

Teachers often praise students for helping each other.

Teachers care about how I feel.
