

Social and emotional barriers

Consider potential social and emotional barriers to learning.

Ask yourself the following questions:

- ✓ Can the student's be themselves and identify with their culture in our learning space?
- ✓ Do I know how to pronounce every student name correctly?
- ✓ Am I aware of a student's preferences and sensitivities?
- ✓ Am I aware of what could diminish or threaten a student's self esteem?
- ✓ Do I know how to authentically connect learning to students?
- ✓ Do I acknowledge and build on students' expertise and skills beyond the classroom?
- ✓ Is my relationship with the students based on mutual trust and respect?
- ✓ How do the students know I value everyone one of them?
