Review supervision of all sport and physical activity

Discuss with all staff ways they can ensure the safety of children and young people and reduce the risk of brain injury.

- ▲▲ Ensure children and young people wear appropriate safety gear and that it fits correctly.
- ▲▲ Enforce “play by the rules”.
- ▲▲ Stress the importance of health. Do not allow children and young people to play when they are ill or suffering from fatigue.
- ▲▲ Reduce risks at practice – teach safe contact approaches.
- ▲▲ Commit time to warm-up exercises relevant to the activity or sport.
