Establish a team

Take a team approach to providing responsive support.

- ✓ Be guided by the student and their whānau.
- ✓ Involve your learning support coordinator and Teacher of the Deaf.
- ✓ Identify and connect with colleagues who have experience teaching students who are Deaf or hard of hearing.
- ✓ Consider connecting to external expertise or agencies.

Gather useful data

Build a full picture of your student's strengths, needs and preferences, such as:

- sensitivities and preferences
- ways they learn successfully
- language and communication skills
- gross and fine motor skills
- literacy skills
- numeracy skills
- ability to act independently
- social skills and ability to form relationships.

Teaching as inquiry

Be a learner as well as a teacher.

What is important (and therefore worth spending time on), given where my student is at?

What strategies (evidence-based) are most likely to help my student to learn this?

What has happened as a result of my teaching and what will I need to do next?
