Useful tools

Make effective use of online environments such as your school Moodle or class websites. Alongside assignment briefs and related resources, offer students a range of tools to support independent learning and collaboration.

Using video

Vi Hart has turned exploring maths concepts into an animated art form. Introduce her work to students alongside similar video resources from the [Khan Academy](#) or [Ted Ed](#) to support student engagement.

Using laptops at Kutarere School

It's what to do with that imagination that has been a stumbling block with a pen and pencil. Having a laptop where it's so easy to change an error etc. has allowed that creativity to be completely limitless.

Principal Te Kura o Kutarere

Google sites at Tamaki College

Teacher, Noelene Dunn's **Google site** supports a flexible and inclusive approach. Students can personalise their learning and choose when, where, and how they will work.
