

Support information sharing

Communicate and share information in meaningful ways.
Demonstrate understanding and support for parents' concerns.

- Encourage parents and caregivers to share what they have noticed outside school, including any assessments that might have been done.
- Build on any programmes or materials used at home, to maximise consistency and support for the student.
- Develop systems for passing on information about a student's needs, progress, and next steps.
- Share information about out-of-school programmes in your area that may help to boost the learner's self-esteem (for example, classes or groups for kapa haka, music, art, dance or sports).
