

Articulate how an ILE supports your school vision

A suggestion for implementing the strategy 'Collaborate to develop an inclusive ILE' from the Guide: [ILEs](#)

Includes:

- School values inform your approach
- Include parent and community voice
- Plan for the future
- New Zealand school stories

School values inform your approach

The values of the school are deeply held beliefs highlighting what our school community considers most important for our learners, so that they will thrive in diverse communities.

These values will be reflected in all actions and interactions, including with learning settings within our school.

Rob Callaghan, Principal, St Martins School

Include parent and community voice

Students, teachers, and parents defined what their school community valued most. This was reflected in their design.
