Involve students in decision making

Year 7-8 students describe how their inquiry into an ILE led to setting up systems and routines in their new space.

Partner with students

South New Brighton School teachers involved students in the design of their collaborative space. Students advised on tools and spaces to support their learning.

[View full image \(983 KB\)](#)

Establish routines with students that meet their needs and preferences.

Build in flexibility from the outset and provide scaffolds to give students as much autonomy as possible.

Support student agency

Teaching students to be independent and self-directed learners needs to be at the centre of a successful ILE and this does not happen overnight. It requires scaffolds, stepping-stones and a safe environment.
