Demonstrate diversity is valued

Value and support the diversity in families through:

- ✔ engaging and working with parents who can offer skills and expertise around LGBTIQA+ identities and experiences.
- ✔ using inclusive language on forms
- ✔ including sexuality and gender diversity in the curriculum
- ✔ school systems that support families when issues of harassment or prejudice occur
- ✔ ensuring families know about the school's harassment policy and that the school supports gender and sexuality diversity
- ✔ seeking a wide representation of diversity on school boards, parent committees, and in wider school activities and events
- ✔ communicating the school's commitment to being a safe, respectful, supportive, and inclusive environment for all members of the school community.
