Revisit NZC values

Ensure student rights are upheld.

The New Zealand Curriculum is underpinned by values of diversity, equity and respect, and upholds human rights.

These values ensure the rights of all students to:

- ▲ self expression
- ▲ identification
- ▲ support.

Ensure all students are safe

Ensure safety and social justice for all students.

We have a policy of safety around identity and culture, and that includes gender.

We feel strongly that every child deserves to feel safe in the school environment.

Commit to diversity

Inclusion means preventing invisibility, especially in the curriculum.

School boards and staff must ensure that they recognise and affirm the diversity within their school so that everyone feels welcome and valued.

Diversity in schools includes diversity of:

- ▲▲ cultures
- ▲▲ ethnicity
- ▲▲ beliefs and values
- ▲▲ learning needs
- ▲▲ sexes
- ▲▲ sexualities
- ▲▲ gender identities and expressions.

Meet legal obligations

All students have the right to learn in an environment where they feel accepted, supported, and are safe.

Boards of trustees play a key governance role in ensuring the learning environment addresses the needs of all learners.

It is the legal obligation of the board of trustees to:

- provide a safe physical and emotional environment for students
- ensure the safety of students and employees.
