

Review Ministry of Education guidelines

The screenshot shows the top navigation bar of the Ministry of Education website. It includes the logo 'EDUCATION.govt.nz' and social media icons for Twitter, Facebook, and LinkedIn. Below the navigation bar is a horizontal menu with five categories: 'HOME' (red), '0-6 YEARS Early Learning' (orange), '5-19 YEARS School' (green), '16+ YEARS Further Education' (blue), and 'PARENTS' (grey). The '5-19 YEARS School' category is selected, and the breadcrumb trail reads: 'HOME: 5-19 years > Supporting students > Students with learning support needs > Assistive technology'. The main heading is 'Assistive technology'. Below it is a paragraph: 'Assistive technology (AT) is specialised equipment and technology that students with additional learning needs use in class to increase or improve their ability to participate and learn.' A list of links follows: 'Who can apply for assistive technology', 'Applying for assistive technology', 'Setting up and managing the assistive technology', 'Loss, repairs and maintenance of equipment', 'When a student transfers or leaves school', 'Forms and information sheets', and 'Examples of students using a variety of assistive technology'.
