

Checklist for knowing learners

Look for anything that is going to help you as you consider a range of potential tools and supports.

Consider these factors:

- culture, language, and identity
- environments and spaces where the learning will happen (classroom, home)
- demographics (age group, local connections, and affiliations)
- learning-related data
- medical or health conditions
- knowledge of learner preferences, abilities, and interests
- personal connections and relationships
- wairua, wellbeing, and moral and physical health
- individual learner goals and aspirations.
