Property modification process

The first-time enrolment property modifications process is likely to take at least six to 12 months.

Special education property modifications at schools – information and guidance for the design, policy, and procedures for property modifications for students with special education needs on the Ministry of Education website.

Contact the Ministry of Education about the need for property modifications as early as possible. It is important that essential work is completed before the student starts school.

This information was downloaded/printed from the Ministry of Education's website "Inclusive Education". Except where otherwise noted it is Crown Copyright 2018.

Information on the Inclusive Education website is regularly updated so we recommend you check the website version of this information to ensure it remains current.
