

Being a buddy

Support students by giving them clear guidelines on how to be a good buddy.

Possible tasks for a buddy include:

- partnering with the new student for classroom activities
- introducing the new student to others, and including them in games and activities both inside the classroom and at break times
- explaining classroom and school rules, systems, and timetabled activities as they arise
- assisting with carrying any assistive technologies from one class to another
- having lunch with the new student.
