

Knowing learners checklist

Aim to surface anything that is going to help you design a more relevant, engaging learning experience.

It will help build connections.

Consider:

- culture, language and identity
- demographics (age group, local connections and affiliations)
- learning-related data
- medical or health conditions
- knowledge of individual learner preferences, abilities and interests
- personal connections and relationships
- wairua, moral, wellbeing and physical health
- what might be “on top” for learners, e.g. a big performance, sports event, exams.
