Increase relevance and value

Students are more likely to engage when they have the ability to make choices about:

- ▲▲ tools and resources they might use (digital and non-digital)
- ▲▲ methods to share their ideas and understanding
- ▲▲ subject content
- ▲▲ how they physically and virtually access an environment
- ▲▲ order of learning tasks
- ▲▲ when to sit assessments
- ▲▲ who they might access for help
- ▲▲ the process to finish or complete a task
- ▲▲ who they might work and collaborate with.
