Guidelines to help us plan for variability

From the neuroscience, we know that variability across the strategic networks is predictable.

The **Action and Expression** guidelines help us ensure all learners are supported plan, create, and share learning.

| Guidelines | Purpose |
|--|---|
| Provide options for physical action | Interact with accessible materials and tools |
| Provide options for expression and communication | Compose and share ideas using tools or approaches that support expression |
| Provide options for executive functions | Determine and monitor own learning pathway |
